LIBERTY DAY

— 0 —

Saturday, October 12, is the four hundred and twenty-sixth anniversary of the discovery of America. President Wilson has proclaimed it Liberty Day and requests the citizens of every community in the United States—city, town, and countryside—to celebrate the day.

The President, in his proclamation, says:

"Every day the great principles for which we are fighting take fresh hold upon our thought and purposes and make it clearer what the end must be and what we must do to achieve it.

"We now know more certainly than we ever knew before why free men brought the great Nation and Government we love into existence because it grows clearer and clearer what supreme service it is to be America's privilege to render to the world."

CAPITAL'S LEASE OF LIFE

— 0 —

In some New England saloons Liberty bonds of the earlier issues have been sold in \$10,000 lots for \$7,000.

Seafaring men, carrying their bonds in their pockets and wanting the money for a short spree, have sold the certificates at a give away price. When resold in \$10,000 lots the bonds are obviously finding their way into the hands of capitalists.

Again, There are munition manufacturers who find trouble in keeping their help because their factories have not enough parking space for the laborers' automobiles. Which indicates that too many workers are handing their wages to auto builders.

The tendency of wealth to get into the hands of a minority seems inevitable. It would be illuminating to hear the majority classify their reasons for putting it there.

THE MEANING OF YOUR SUBSCRIPTION TO THE FOURTH LIBERTY LOAN

— 0 —

WHAT IS THE LIBERTY LOAN
It's forts and it's ships and it's shining guns.

It's squadrons that sweep the sea.
It's all of the circling band of steel
That shall keep all the home shore free.

It's grub and it's warmth for the sailor lad
Far out on the wintry foam.

For the brave jack tar, as he fights afar,
It's the good old "Money from home."

WHAT IS THE LIBERTY LOAN

It's rifle and helm and it's bayonet
It's shovel and shot and shell
For the soldier boy in the olive drab,
Out there on the edge of hell.

It's the soaring wings of the whirling planes
That battle on high alone.

For the lad who is daring "Over there,"
It's the good old "Money from home."

WHAT IS THE LIBERTY LOAN

It's succor and life for a bleeding world.
It's the glimmer of Peace at dawn.
It's the strength of a mighty arm to strike.

It's the gleam of a great sword, drawn.
But, more than all, it's the pledge of love.

To the lads whom we call "Our own,"
To the boys on land, afloat, on high.

It's the good old "Money from home."

Can Now Eat and sleep in Comfort

If troubled with indigestion or sleeplessness you should read what Miss Agnes Turner Chicago Ill has to say: "Overwork irregular meals and carelessness regarding the ordinary rules of health generally undetermined it until last fall I became a wreck of my former self. I suffered from continual headache, was unable to digest my food which seemed to lay as a dead weight on my stomach. I was very constipated and my complexion became dark yellow and muddy as I felt. Sleeplessness was added to my misery and I would wake as tired as when I went to sleep. I heard of Chamberlain's Tablets and found such relief after taking them that I kept up the treatment for nearly two months. They cleansed my stomach invigorated my system and since that time I can eat and sleep in comfort. I am today entirely well."

WIRE FENCING

When you go to buy wire fencing, compare specifications with others.

AMERICAN FENCE SPECIFICATIONS ARE AS FOLLOWS

1134, has 11 horizontal wires, 6 inches stays, weight 9-6/10 pounds pr rod.

1240 has 12 horizontal wires, 6 inches stays, weight 10-6/10 pounds pr rod.

and so on. Compare these specifications and you will see that the AMERICAN WIRE FENCE with the Non-Slip Hinge joint is the cheapest to buy, because you get more and better for the price.
